Project Structure and interfaces

Steps taken by TSO's since the Florence Forum

- Jean Verseille, Director European Affairs, RTE, has been appointed as the co-chair of the Joint Steering Committee with Mikael Lundin, CEO, NPS
- Mark Pickles, National Grid, has been appointed as TSO Project Manager
- TSO's have nominated Roelof de Vries, TenneT NL, as the Joint IT Task Force Convenor.
- TSO's have strengthened their membership and attendance within the project governance groups.
- A 'Core Team' has been established to ensure there is a weekly focus on key issues. Membership of this team consists of Jean Verseille, Mikael Lundin, and the PX, TSO & Joint Project Managers as well as the Task Force convenors

Joint Project Approach

High level PX project plan with Vendor
